## **Rep. Joe Sanfelippo issues statement on the passage of Right to Work**

(Madison, WI) –State Representative Joe Sanfelippo (R-New Berlin) issued the following statement following the passage of the Wisconsin Worker Freedom legislation.

“With the passage of the Right to Work, we are giving Wisconsin workers the right to choose. During more than 20 hours of debate, we heard numerous scary tales from those who opposed this bill on worker freedom. These were not just scary tales, but fairy tales. We know this because nearly half of the states in our great country are right to work states, and they have not experienced the type of Armageddon that opponents have predicted.

Under this bill, workers will retain the right to join and contribute to a union and gain the freedom not to; if you like your union you can keep your union.”
